

QPI Healthcare Services

Quality Performance Improvement

Aiding Compassionate Healthcare Organizations
with a software solution that revolutionizes Quality Patient-Centered Care.

QPI Healthcare Services is a proven leader in the healthcare compliance industry. QPI develops technological solutions to help Providers effectively navigate Medicare, Medicaid, and commercial payor requirements. QPI's interactive compliance software, *Lavear*, focuses on maximizing reimbursements while minimizing payroll and administrative costs. QPI offers services for multiple Healthcare Organizations, including Assisted Living, Behavioral Health, DMEPOS, Pharmacy, Home Health, Hospice, Palliative Care, Private Duty, Sleep, and Telehealth.

AdvancedMD

QPI Healthcare Services and AdvancedMD, a Global Payments Company, are in collaboration to assist the needs of Ambulatory Medical Practices.

AdvancedMD supports independent physicians and their staff with a comprehensive suite of solutions including practice management, electronic health records, telemedicine, patient relationship management, and business analytics reporting.

Together with AdvancedMD, QPI assists physicians and healthcare organizations in streamlining financial and clinical operational processes. QPI's series of automated tasks and hands-on Program Managers are dedicated to clients, so that healthcare providers can get back to what's Important: Patient-Centered Care.
